IT'S IN THE STARS

It is with great pride and much humbleness that we, the staff, wish to dedicate the 1948 Mummy Case to the future of University High School. We have scanned the heavens and robbed the stars of their secrets in our endeavors to see the future. Soon, in a not too far off time, University High will receive a new home. It will be a beautiful and wonderful building with all the facilities that we now lack. Although many of us will have left University High by that time, we shall still be able to point with pride to "our school." Despite the fact that we may never enter its new walls, it will still be "our school"; for no matter what the future holds, the spirit of University High will remain the same.

University High has lived a glorious past, does live a proud present, and shall live, we know, an even greater future.

NEVER SAY GOODBYE

Green! That's what they called us—but that was four years ago and now we're "mighty seniors." Through those four years that we've spent on the planet, U. High, we've shared crushes, parties, thrills—tears and laughter.

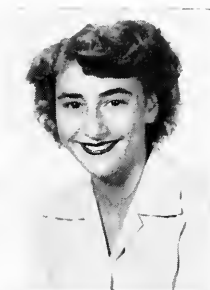

This fall we assumed the position of seniors—top of the upper classmen world. With freshmen initiation, senior picnic, homecoming, senior party, prom, graduation—together we have built our senior year.

Now our time on this planet is drawing to its close. It is our time to say, "so long for a little while." So long, but not goodbye, for we can never really leave U. High. Every day will find a part of us here—in the ticking of the hall clock, in the ringing of the bells, in the cheering at the games—in all those little things our whispered laughter shall continually sing.

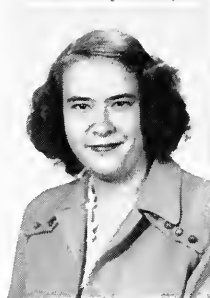

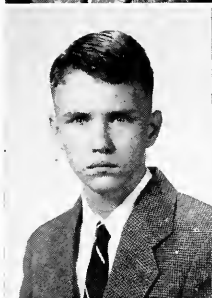

The year is gone and as we somewhat sadly look back upon it, we must agree with Longfellow when he said—"Nothing now is left but the Majestic Memory."

JUST US

At last we made it—we're finally upperclassmen. This year we've really lived up to the name of "jolly juniors." Next year we'll take the place of the seniors who are leaving, and the thought of our last year at U. High brings a sobering lump into our throats.

"Small, but mighty" the band has proved its worth during many instances. Serving us in good stead at games, pep meetings, and assemblies it has been our "Gabriel's horn."

Back Row—Taylor, Larson, Griffith, Beadle.

Front Row—Reed, Barry, Reinhardt, Cecil, Fulkerson.

CHORUS

Celestial strains from angel voices fill the air above our planetary home. Appearing in public several times and entering the music contest provided plenty of work for this energetic group of songsters and their director, Charles Paterson.

Early in the year Jeanne Lloyd, president, Mary Lou Crowell, vice-president, and Margaret Trobaugh, secretary-treasurer, were elected officers.

Heatherly, B. Sickman, Williams, Curry, Taylor, Reed, Paterson, A. Sickman, Knight, Picquard, Reid, C. Paterson, director.

STUDENT COUNCIL

The ten members of Student Council and their sponsor, Jean Fligor, have really proved to be our guiding star this year. Through their sponsorship of school parties, homecoming, the magazine drive, our school in Austria, and class elections, they have created a full and productive year.

At the beginning of the year the council chose for its officers: Bob Reinhardt, as president; Lynn Barry, as vice-president; and Grace Fulkerson, as secretary-treasurer.

Back Row—R. Harris, Jerdon, Ebbs, Coleman, Paterson, sponsor.
Front Row—Young, Trobaugh, Gibbs, W. Harris, Knight.

DRAMATICS CLUB

Across the footlights of our heavenly home appear the stars of tomorrow. Diligent work in producing, directing, and enacting plays mainly consumed the time of our aspiring stars and their sponsor, Mrs. Evelyn Rieke.

Elected president was Bob Bain; vice-president was Virda Sill; and secretary-treasurer was Alma Hankla.

Cole, Paterson, Bach, sponsor; Wakeland, Forsythe, Fulkerson, Peithman, Crawshaw, McLafferty, Rody, Coleman, Rieke, Reed, Lloyd, Ewert, Taylor, Dickerman, Smith.

MUSIC CLUB

Amidst the misty clouds of learning this group of earnest students studies the lives and works of great composers of the past and present aided by their sponsor, Charles Paterson.

G. A. A.

"All work and no play makes Jill a dull girl," so the saying goes. Maybe that's so with "Jill," but our "Janes" prove pretty smart when it comes to athletic achievements. Zita Spradling, sponsor, provides the girls with plenty to do with volley ball, basketball, baseball, and many other sports.

Back Row—Thetford, Stearns, T. McLafferty, Wright, Starck, sponsor, Sanders, Davis, Vancil, Rody, Thompson, Clutts, S. McLafferty, Heatherly, P. Crowell.
Second Row—Smith, Hill, B. Johnson, Lence, Broshears, R. McLafferty, Thomason, Crader, McNeir, McCalla.
Front Row—Lloyd, Marberry, Dwyer, Cook, Doty, Parks, Covington, O'Dell, P. Johnson, Kelly, V. Yow, P. Yow.

"U" CLUB

These boys have placed their names along our star studded milky-way of sports. By receiving a major letter in some sport these boys have qualified for membership.

Sponsored by Troy Edwards, coach, the club has actively participated in school events. Bob Reinhardt, president, Pete Humphrey, vice-president, and Dean Hale, secretary-treasurer, were elected officers.

Back Row—Trobaugh, Wright, R. Harris, Crader, Payne, Ellis, P. Yow, Spradling, sponsor, Thompson, Heatherly, R. McLafferty, McNeir, P. Sanders.
Second Row—Rody, Thetford, Hill, W. Harris, T. McLafferty, E. O'Dell, S. O'Dell, Covington.
Front Row—V. Yow, Davis, A. Sanders, Lloyd, S. McLafferty, Broshears, Lence, Ebbs.

F. H. A.

The hopes of these girls are plainly stated in their title "Future Homemakers of America." Poor manhood will be doomed when these girls set out. Through their ingenious little methods they will prove to be our planet's secret weapon.

Sponsored by Helen Starch the club elected Jeanne Lloyd, president, Teresa McLafferty, vice-president, and Joan Thetford, secretary.

JEANNE LLOYD

Versatile, dark-haired Jeanne Lloyd was crowned Homecoming Queen by Bob Reinhardt, 1947-48 basketball captain, amidst colorful decorations and voluminous applause. The presentation of Jeanne as Homecoming Queen climaxed the Homecoming Festivities.

It would be extremely hard to tell in this short space of the many services Jeanne has rendered to U. High. Her frank, friendly manner has become a welcome part of our school life. Jeanne will be missed when she leaves after graduation.

Elected as an attendant for the two previous years, this year climaxed her record when she was crowned Queen. It is with great pleasure that we present her majesty—Miss Jeanne Lloyd.

HOMECOMING

FESTIVITIES

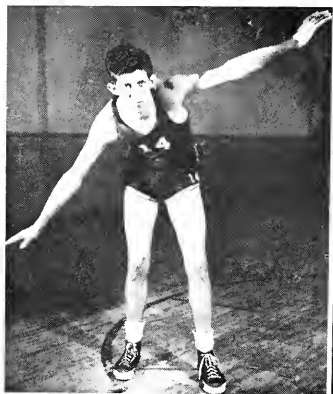

Homecoming—the time when past meets present—created a beautiful and happy memory for all of us this year. Donning its best holiday spirit on Friday, December 5, our planet proudly displayed itself for all to see. What better way to start things off with a “bang” is there than by winning the big game? We thoroughly dubbed Carterville on Friday night. Saturday night brought festivities to a climax when, amid colorful decorations, Jeanne Lloyd was crowned basketball queen in a breath-taking ceremony at the big dance.
